The California Department of Transportation (Caltrans) has reviewed the following product:

Product

CoatMasters 2007 Reactive

Tracking Number

AML 20-02-006

After careful evaluation of this product against the authorization criteria for the Silane Reactive Penetrating Sealers AML, it has been determined that this product meets the AML criteria. This product has been added to the AML.

Thank you for giving Caltrans the opportunity to review this product. If you have any questions regarding the new products review process, please contact the Product Evaluation Program Coordinator at New.Products@dot.ca.gov.

Sincerely,

Jennifer Moore
Product Evaluation Program Coordinator
